December 2015 11th December - Emailed ENISA: My research theme is on Data Breach Incident Response and I've read Enisa's publications. I am interested in exploring with Enisa to do my final year project which I hope will benefit Enisa as well.

January 2016 MacBook Pro rebuilt; Scrapped LaTeX for document writing

January 2016 22nd January - Attended BCS ISSG - 17th Annual Legal Day

January 2016 Follow-up - Emailed contacts at UK National Cyber Crime Unit: As I'm planning to produce a Data Breach Incident Response framework for reporting and notification of breaches, it makes sense to also involve a CERT/CSIRT organisation. Welcome a dialogue. I'll be happy to also meet up for a chat or even do a Skype call

February 2016 1st February - Attended a Workshop at Law Faculty of KU Leuven: The Directive for data protection in the police and justice sectors: a significant step towards modern EU data protection?

April 2016 Emailed Prof Paul de Hert asking for contacts and information: I wonder whether you have done research related to privacy harm in relation to the 'right to know' i.e. the notification/communication of the breaches as mandated in the EU GDPR. I am looking to understand the legal-social philosophy behind the EU GDPR policy makers' intention or rationale for making the notification/communication aspects mandatory.

May 2016 10th May 2016 - Emailed ENISA again.

May 2016 Submitted ethics application for Interview Study
Ethics application approved

May - July 2016 Interview Study: 23-May-2016 to 19-July-2016
